### ***BHARTIYA NIVAS: WHERE HEART MEETS HOME***

- The past month that Bhartiya Nivas was filled with enriching experiences, laughter, and meaningful moments for our residents.
- We offer a variety of engaging activities such as dancing, karaoke, happy hours, and chair yoga, creating a balanced and joyful routine for mind, body, and soul.

#### ***Outings and Field trips***

- One of the highlights was a delightful trip to the Dallas Museum of Art, where our residents enjoyed exploring a wide range of artistic expressions. An outing they truly cherished.

#### ***Surya Garden***

- We also introduced a new touch of beauty to our community by setting up our winter garden, lovingly named Surya Garden. This serene space now adds warmth and brightness to the season.

- Our Bingo and Trivia series brought endless smiles, with residents enjoying the fun and giving each other some exciting competition.

***Here's to a joyful festive season and many more celebrations together!***
